

# Second Baptist Christian Preparatory School

## Cultivating and Planting Seeds for the Future

Dear Parents, Guardians, and Students,

Welcome back to the 2018-2019 school year! As the new director of SBC Preparatory School, let me be the first to say how excited I am about this school year. We want to share with you how excited all of us are to begin a new year full of rigorous instruction, engaged students, and joyful learning.

I hope that you had a wonderful summer vacation and are ready to begin this school year. This year will be full of new learning experiences and discoveries. Thank you for your support and cooperation in helping to make our school such a successful place where our children will strive in all things.

We are committed to strengthening the collaboration between our school and the families of each students. As a result, we are happy to announce that we will be using *Dojo* as a system for communication. Dojo is a free application that will help keep families informed of what's happening in the classroom.

If you have any concerns or questions, please contact us at the school (803.502.0710).

Sincerely,

Director Ms. Gwendolyn Byrd
